- Non-conformance/corrective action management and assistance

**Inspection is our priority.**

At Banneker, quality is our first, middle and last name. That is why we have Certified Quality Auditors, Inspectors, Technicians and Six Sigma specialists on our Team. Our cultural emphasis on quality makes us the right inspection provider for your supply chain.

With over 25 years of integrated logistics and supply chain management expertise and experience coupled with technological sophistication, clients in industries as diverse as aerospace and defense, manufacturing, retail, and government choose Banneker for inspection services in addition to our other offerings.

**GET EXACTLY WHAT YOU'RE EXPECTING, EVERY TIME.**

**Peace of Mind:**

AS9100, ISO 9001 and ISO 14001 certified, Banneker Quality Control personnel maintain the highest quality standards.

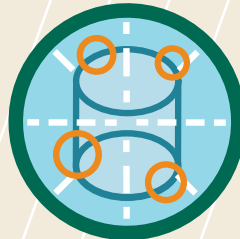

**Quality Planning:**

We construct customized plans incorporating best practices with quality standards and processes.

**Visual Inspection:**

We'll perform a Kind, Count and Condition on incoming product and associated documentation.

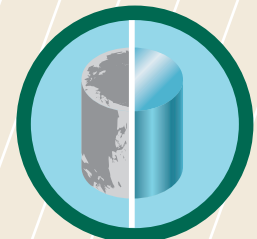

**Dimensional/Mechanical:**

We ensure your product meets defined specifications to prints, drawings and other requirements.

**3rd Party Services:**

We'll manage the process and send product out for 3rd Party Composition Analysis, ensuring it meets the specified standard.

**Test/Rework/Repair:**

Banneker can help when non-conforming product is found. We'll help contain the problem, fix the issue and work to make things right.

**Banneker's inspection service ensures that you get exactly what you expected.**

*"I want to take a moment and say thank you! It's all about the little things. Thank you for paying attention to the smallest thing... You do a great job on a daily basis, but I want to take a moment to let you know how important the smallest detail is."*
