

We're Banneker, a world-class integrated logistics and supply chain management solutions provider. We address every step along your supply chain continuum, from procurement to distribution.

Our packaging and fulfillment service provides a single supply chain solution for order fulfillment. We ensure product arrives safely, on-time, and with full visibility.

Our packaging and fulfillment services deliver:

- Cost effective order fulfillment
- Reduced order ship time
- Increased order accuracy
- Faster speed to market
- Automated processes that drive down cost
- Greater inventory visibility

Our packaging and fulfillment service includes:

- Automated order management, including EDI
- Value added services like Break Bulk and Custom Labeling
- U.S. and International shipping
- Reporting and visibility through our Warehouse Management System (WMS)

We use the best tools and technology to pick, pack, label and fulfill a wide range of orders. We break pallets and cases to fulfill individual D2C orders, as well as build new cartons, packs, or pallets to meet retailer requirements.

Quality and Delivery Assured.

Once you experience the benefits of warehousing with us, you'll want to have us handle your packaging and fulfillment operation as well. It's a logical step toward making your business run more profitably and efficiently, and keeping your customers satisfied.

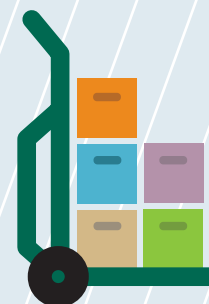

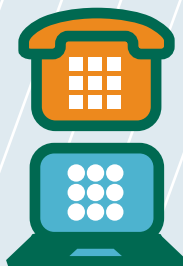

Our vast expertise and technological sophistication are the result of over 25 years of integrated logistics and supply chain management experience. That's why clients in industries as diverse as aerospace and defense, manufacturing, retail, and government choose Banneker.

STREAMLINE YOUR PACKAGING AND FULFILLMENT FROM RECEIPT TO DELIVERY.

Customer Support:
Banneker's outstanding customer service supports you through each step of your fulfillment process.

Custom reporting and visibility:
Our warehouse management system (WMS) provides 100% visibility so you can track your stock and supply levels wherever you are.

Pick, Pack and Ship:
Use our highly trained AS9100/ISO9001 and 14001 team to ensure quality all the way to your door.

Container Unloading:
We can unload your packages once they arrive at their destination - leaving you certain that their contents were not damaged in the process.

Quality packaging and fulfillment solutions that deliver.

"Thank you for coordinating this shipment. Our Customer was more than happy that we were able to accommodate their critical request."

- Kim B.
